YouTube Thumbnails

Elements

- Product image/logo (so viewers recognize what you're reviewing)
- Your face (with strong emotion – builds trust)
- Bold text overlay (3–5 words max)
- Visual indicator (checkmark, X, warning symbol, arrows)
- High contrast colors (stands out in feed)
- Search for product name, see what thumbnails rank #1–3, then make yours MORE eye-catching with bolder colors and clearer text.
- Use the same layout/style for all launch reviews. Builds brand recognition. Change only the product images and text.

Text Overlay Options

Warning/Urgency:

- WAIT!
- STOP
- BEFORE YOU BUY
- NOT COMPLETE
- MISSING THIS?
- WATCH FIRST

Review Indicators:

- HONEST REVIEW
- REAL RESULTS
- I BOUGHT IT
- TESTED IT
- TRUTH

YouTube Script

Before you buy [PRODUCT NAME] that just launched today, there's something critical you need to know. I got early access to this, and after going through everything inside, I'm going to show you exactly what you're getting, what's missing, and the one tool you absolutely need to make this actually work for you. Stick around because that link is in the description below.

In the next few minutes, I'll break down the three biggest strengths of [PRODUCT NAME], the two major gaps I found, and why pairing it with [AFFILIATE PRODUCT] is the difference between wasting your money and actually getting results.

So [PRODUCT NAME] by [CREATOR] just dropped, and it's all about [MAIN PROMISE/BENEFIT]. The core idea here is [EXPLAIN IN ONE SENTENCE].

Here's what you're actually getting inside:

[MODULE/CHAPTER 1 NAME] - [brief description]
[MODULE/CHAPTER 2 NAME] - [brief description]
[MODULE/CHAPTER 3 NAME] - [brief description]

Plus [BONUSES/ADDITIONAL CONTENT]

Let me start with what I genuinely liked about this...

First, [STRENGTH #1 - be specific]. This is huge because [explain why this matters to viewer]. Most products in this space completely skip over this, so [CREATOR] definitely delivered here.

Second, [STRENGTH #2 - be specific]. I was impressed by [specific example or feature]. If you're someone who [DESCRIBE TARGET USER], this alone makes it worth considering.

And third, [STRENGTH #3 - be specific]. [Explain benefit and real-world application].

Now here's where things get interesting, and this is why I'm making this video...

[PRODUCT NAME] does a solid job at [WHAT IT DOES WELL], but there are two major gaps that could stop you from actually succeeding with this.

Gap number one: [MISSING ELEMENT #1]. The product shows you [WHAT IT COVERS], but it doesn't address [WHAT'S MISSING]. Without this, you're going to struggle to [SPECIFIC PROBLEM].

Gap number two: [MISSING ELEMENT #2]. You're getting the theory and framework, but [WHAT'S LACKING - could be tools, implementation, traffic, conversions, etc.]. This is the difference between knowing what to do and actually doing it profitably.

And this is exactly why I'm recommending you pair this with something else...

Look, [PRODUCT NAME] can absolutely work, but only if you have [THE MISSING PIECE] already figured out. And if you're like most people watching this, you probably don't.

That's where [AFFILIATE PRODUCT] comes in, and why I think these two together are actually the perfect combination.

While [PRODUCT NAME] handles [WHAT ORIGINAL DOES], [AFFILIATE PRODUCT] specifically solves [WHAT IT DOES]. It's literally designed to [MAIN BENEFIT].

YouTube Script

Here's what makes [AFFILIATE PRODUCT] the perfect companion to what you just saw...

Inside [AFFILIATE PRODUCT], you're getting [KEY FEATURE #1], which means [BENEFIT]. This directly fills that first gap I mentioned about [CALLBACK TO GAP #1].

You're also getting [KEY FEATURE #2]. This is the [TOOL/SYSTEM/STRATEGY] that handles [SPECIFIC RESULT]. Without this, you'd have to [DIFFICULT ALTERNATIVE], which honestly most people never do.

Plus [KEY FEATURE #3 or BONUS]. This alone is worth [VALUE STATEMENT].

The way I see it, [PRODUCT NAME] gives you the [FRAMEWORK/STRATEGY/KNOWLEDGE], and [AFFILIATE PRODUCT] gives you the [IMPLEMENTATION/TOOLS/SYSTEM] to actually execute. Together, you've got everything you need to [END RESULT].

So here's exactly what I recommend you do...

First, if [PRODUCT NAME] sounds like something that fits what you're trying to accomplish with [SPECIFIC GOAL], grab it. The link is in the description below.

But second - and this is critical - click the link right below that for [AFFILIATE PRODUCT]. That's going to be your implementation system that makes everything inside [PRODUCT NAME] actually work.

The [AFFILIATE PRODUCT] link is the first link in the description. Click that now, and you can thank me later when you're actually [GETTING RESULTS] instead of just consuming another course.

Now [AFFILIATE PRODUCT] is currently [PRICE POINT/SPECIAL OFFER if applicable], and honestly for what you're getting, that's a steal compared to [COMPARISON].

Both links are down below. If you found this review helpful, smash that like button so more people can see this before they waste money buying [PRODUCT NAME] without the missing pieces.

And drop a comment if you have questions about either of these. I'll respond to every single one.

That's it for this review. I'll see you in the next video.
